Statement of Assurance

An LEA participating in the *No Child Left Behind Act of 2001* is required to annually do a self-assessment to ensure that programs are in compliance with all applicable statutes, regulations, and applications.

In submitting this packet for NCLB Monitoring Cycle 6, the LEA affirms that it has reviewed all documents and procedures addressed in the checklists to verify compliance.

The LEA has completed the Cycle 6 Compliance Activities Worksheet that identifies items that were found not to be in compliance. Activities have been planned that will address those items and bring them into compliance.

The LEA will submit to the Arizona Department of Education (ADE) this Statement of Assurance, the completed Checklists when applicable, the Cycle 6 Compliance Activity Worksheets and the following list of substantive documentation to confirm compliance by **December 1, 2005**.

Documentation Needed:

- ☐ Home Language Survey
- ☐ Enrollment Form
- ☐ LEA procedures for identifying and reclassifying ELL students
- ☐ Sample of parent notification of a student's reclassification
- ☐ Sample of form documenting 2 years of monitoring of FEP students (e.g.; AIMS scores, grade reports, teacher evaluation)
- ☐ List of non-profit private schools in LEA boundaries (charter schools exempt)
- ☐ A copy of completed Consultation of Affirmation form(s)

As the authorized LEA agent, I attest that the attached checklists were used to review specified policies and procedures and were completed honestly. Items that were found out of compliance were identified and activities have been planned to bring them into compliance by a specified date. The requested documentation included is submitted to verify compliance.

I understand that funding will not be allocated to my LEA if ADE identifies that any of the documentation provided to ADE is found to be false and deemed out of compliance.
